

**Niagara Parks is pleased to present a unique
FUND-RAISING opportunity for our School partners with the
New SCHOOL SPRING SPECIAL!**

Your school will now benefit when your students and their families visit the **Niagara Parks Butterfly Conservatory**. The e-flyer shown below is posted on the District School Board of Niagara website at <http://www.dsbni.org/eflyers/>. This flyer offers FREE admission for a student with the purchase of one adult admission. Simply print that flyer and write in your school name at the top of the page, to allow Niagara Parks to track results and return an incentive back to the school. That is a 20% return to your school on each adult ticket sold (or \$2.30 per ticket).

This offer for April 10 to June 30, 2009, will set the stage for potentially expanding this School Incentive program to all the Niagara Parks attractions in the 2009/2010 school year. That includes Niagara's Fury: The Creation of the Falls, Journey Behind the Falls, Old Fort Erie, Laura Secord Homestead and Sir Adam Beck 2 Power Station tours, to name just a few.

We're optimistic that this will be a successful program, generating revenue for your school and helping your students and their families to enjoy all that Niagara Parks has to offer.

Contact Niagara Parks Group Sales at 905-371-0254 ext 2 with any questions about the School Spring Special or to learn about building your next class trip upon our curriculum-based programming at our nature and historic sites.
